POSITION STATEMENT MALAN'S BASIN PROJECT
OGDEN GOLF AND COUNTRY CLUB - BOARD OF DIRECTORS

The Ogden Golf and Country Club Board of Directors is committed to business and economic development.

The Board of Directors recognizes the Malan's Basin Development as the most significant economic development opportunity for our community in the past century (\$500 million dollar private investment). The Board of Directors supports the concept of the Malan's Basin Development, recognizing that it is a work in progress.

We, the Board of Directors of Ogden Golf and Country Club, are committed to continued review and input on the project to ensure the best possible results for all concerned.
